

Portals Vells

Ref.: P01

Exclusive villa project in Sol de Mallorca with partial sea views

No building permit

Price: 3.600.000 €

Land: 1,226 m²

Built area: 300 m³

Bedrooms: 4

Bathrooms: 4

This contemporary villa in Sol de Mallorca offers a tranquil setting and is conveniently situated within walking distance of the renowned Portals Vells beach. Nestled slightly above sea level, the upper floor of the villa will offer a partial sea view. The villa's design includes three bedrooms and three bathrooms. As construction will only commence once a prospective owner is secured, the future owner will have significant input in shaping the project to their liking. The listed price covers the villa in a move-in-ready condition.
