Modern villa project in Costa de la Calma with fantastic sea views

Without building permit

Price: 3,300,000

Plot: 850 m²

Built area: 300 m²

Bedrooms: 3

Bathrooms: 3

This contemporary villa in Costa de la Calma enjoys a serene location, mere steps away from the coastline, granting direct access to the sea. Furthermore, the villa boasts a picturesque sea view. The villa's design envisions three bedrooms and three bathrooms. Given that the project will only commence once a prospective owner is secured, there is ample opportunity for the future owner to exert significant influence on the project's development. The listed price encompasses the villa in a move-in-ready condition.
